DETAILED ACTION

Applicants' response of 1/25/07 has been considered with the following results.

Information Disclosure Statement

The IDS of 1/8/07 has been reviewed and made of record.

Claim Objections

1. Claims 5,7,8, 60, 69 are objected to because of the following informalities:

As amended, and argued, the phrase " unit audio information " is proper, and not

"unit audio information object". Appropriate correction is required.

Claim 69 is objected to under 37 CFR 1.75 as being a substantial duplicate of claim 68. When two claims in an application are duplicates or else are so close in content that they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k).

Allowable Subject Matter

2. The claims are allowable over the art of record.

This application is in condition for allowance except for the following formal matters:

- see the above with respect to the objections to the claims as stated in paragraph 1.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
